#### Award Criteria

Created in 2007, this award is given in honor of Michael Mercer, who was a leader in water conservation education in the Puget Sound region for over 25 years. The award will be presented to a teacher, teaching team, volunteer or other educator who has shown creativity and dedication to teaching youth about water conservation, the value of water, and the importance of maintaining adequate instream flows for the health of Washington's rivers and streams, salmon and natural environment.

Nominees are nominated by PWC members and recipients are chosen by PWC's Board of Directors. The award is presented in October at the Annual Membership Meeting. Current members of the Board of Directors are ineligible to be nominated.

Please attach a sheet describing in 500 words or less why you feel your nominee is deserving of this award. Send your nomination materials by August 1st to:

**Partnership for Water Conservation  
P.O. Box 3621  
Seattle, WA 98124**

**If you have questions please call: (206) 957-2199**
